Potty Handoff Note

For the next grown-up, only if a note helps.

If your usual childcare record or conversation covers this, skip this sheet. Write only what is useful to share; keep completed notes private.

Date / Care period

Support we've agreed on

Useful observations - up to 3

Leave unused lines blank. Unknown is OK. Write observations, not grades.

When	What happened	What helped or got in the way

One next step we've agreed on

Supplies to replace, if needed

If using the potty hurts or your child keeps holding back poop, contact your child's healthcare professional. Don't wait to fill this sheet. It is not a medical record or treatment plan.
